- Scene Shop – parents to come and clean the shop the week before school Monday, August 25 at 7:00 pm. Please come and help!
- Teacher liaison: Mr. Van Camp has to send an email out to all the teachers to advise the position is open. He shared he has an interview with a potential teacher for the job.
- Auditions are the second week of school.
- There will be workshops for the musical, Oklahoma prior to auditions. Ed sent an email to Brittney Ward, but has not yet received a reply. He will send out the information on dates and times once that is finalized.
- Ilene had a great idea to post a poster that announces audition dates prior to student registration which begins next week.
- Ilene will be working to remove parents from this list as requested.

### **Director's Report – Ed Nahhat**

- Ed will share the times for the workshops and auditions as soon as he has them.
- Ed will put “sides” together for auditions the week of August 25.
- Ed shared a concern of having the rehearsals after school and in the evening that are not consistent. A consensus was reached to have a set schedule if possible with vocal rehearsals after school and dancing and blocking in the evening.
- Ed received a contract from Rodgers & Hammerstein, he presented it to the school to pay and they've agreed. He's requested to keep the materials for 10 weeks rather than the usual 8 weeks to give us enough time with the materials.
- Communication is important between Ed and the Drama Club Officers; please be sure to email Ed so he has the information. Ed has the information for the Drama Club Boosters.
