help your students go to camp

Blue Lake Fine Arts Camp is proud of its continued service to gifted youth over the years, providing unparalleled arts enrichment programs in a beautiful wilderness setting since 1966. At Blue Lake, students are accepted on a first-come, first-served basis — all abilities are welcome. Blue Lake also offers an extensive scholarship program, and we encourage your students to apply for financial assistance to help with their summer camp tuition. We hope to see your students become a part of our long-standing tradition of summer arts education!

2020 Camp & Scholarship Info Request

Visit bluelake.org and click on **request info** to receive camp materials for your students. Or, mail in this form.

Please send # _____ Camp Preview Brochures (general information on the Blue Lake experience)
If your school hosts scholarship auditions, each student will automatically receive a Preview Brochure that day.

Please send # _____ Camp Catalogs (detailed camp booklet containing the camp application).
Students automatically receive a Camp Catalog in the mail after any scholarship audition.

Students may submit scholarship auditions online at bluelake.org/scholarships. For schools with a significant number of students interested in camp scholarships, Blue Lake will make every effort to send a Scholarship Representative to your school to provide a presentation and scholarship auditions. Presentation and audition appointments are limited to certain geographical areas and are available on a first-come, first-served basis.
